

Sydney Chinese Lions Charity Ball 2009 Tidbits

Thank You Notes

An Open Letter from President Anthony to Members after the Ball

Dear All

From the bottom of my heart, may I thank all of you for your efforts and contributions which helped make the Ball yesterday evening yet another success.

It never ceases to amaze me how this collective effort of ours can time and again, steer the club to scale great heights. It is an achievement of all of us. Each and every bit of our contributions was instrumental to the construction of the overall success.

I'm still waiting for the figures to come through from Treasurer Tim but early indications of the income amounts to \$40,000+ for open auction, \$7,000+ for silent auction, \$5,000+ for raffles and \$4,000 cash donations + all related cash donations from sponsors.

Well done!

Will keep you posted of the developments.

Regards
Anthony

Dr Anthony Cheung JP
President
Sydney Lions Chinese

Dear Anthony,

Please accept my congratulations to you and your committee for what again was an outstanding Ball.

The Club is to be commended for its ongoing support to deserving charities.

The members of St John are grateful for the donations from the Club but also because the support is seen by St John members as tangible recognition of their volunteer service to the community.

I would be grateful if my personal gratitude could be extended to your committee not only for the support they have given to St John but also for the many courtesies extended to me.

Sincerely
Warren

Dear Anthony

Just a small note to express Tina's and my appreciation to you and your Lions Club members for inviting us to be your guests at your Ball last Saturday night.

It was a memorable evening and the organizers are to be congratulated for achieving a great mix of entertainment, speeches, fund raising and food.

I must also tell you that with the true membership of the Burwood Lions Club being 30-35 your Club now has the largest membership in District 201N5 and I also believe that the average age of your members would be the youngest. Quite an achievement!

I look forward to continuing our discussion after I have visited at your Club and Board meetings.

Yours sincerely

JOHN HARRISON

Thanks to the many wonderful people who selflessly helped out at the Ball. Some of them were caught in action here.

Yes, there was plenty of joy and laughter at the Ball.
The photographers did a great job in capturing some of those moments.
