

# Abdullah's Meywalker Fitting

On 6 October, the long awaited Meywalker for Abdullah which many Lions clubs sponsored was finally ready to be fitted. As Sydney Chinese Lions is one of the sponsoring clubs, their President Mei took the time to visit Abdullah and his family at his Auburn home at the fitting. She was joined with Lion Noel Burchmore, District Chairman of Australian Lions Children Mobility Foundation. They witnessed the happiness radiating from the young boy's face as he found the extra freedom of movement with the new aid.
