President's Message

My fellow Lions

May I wish you and your loved ones good health, good luck and a prosperous Year of the Rat. May we be energetic and wealthy enough to carry on taking an active role in Lions projects and **SERVING together as one.**

On 10 Feb, a number of us took to the city streets at the Chinese New Year Parade organised by the Sydney City Council. It was a wonderful experience parading through the streets behind our Club's banner with tens of thousands of people cheering us along.

On 29 January, we welcomed two special guests from Finland—IPCC Pekka Rautakorpi and wife Eeva. They came to our Ball Promotion Press Conference and Ball Org Committee meeting. Both were impressed by what they witnessed and were all praises.

On 4 Feb, we had our monthly Members Meeting when we celebrated Chi-

nese New Year. At the meeting, nominations for the 2008-9 Board were received. Many positions have only 1 nominee and those nominated will be elected unopposed at our next Members meeting on 5 March. There are 5 positions, however, which have

that we are running the scholarship since we it was first launched in 2003. The scholarship is well received by NSW university students who participate actively in humanitarian work. Information on the Scholarship can be found on a good number of websites, including ours and those of many NSW universities.

Our Charity Ball 2008, to be held on 1 March at the Park-side Ball-

more than 1 nominee. They are namely, 2nd Vice President, 3rd Vice President, 2 two-year Directors and 1 one-year Director. Page 2 provides details of whom has been nominated for what. At the March meeting, elections will be held to fill these positions. Do come along to the meeting to vote for the candidates of your choice. Lion Greg Dunn has again kindly agreed to come and act as Returning Officer for us.

Our Humanitarian Scholarship 2008 has now been launched. A copy of the Press Release is provided on Page 3. It is now for the sixth year running

room of the Sydney Convention and Exhibition Centre, is now fast approaching. With the support of the community, Sponsors and all of you, we can look forward to yet another successful fundraising event of our club's. For those who are interested in the Open Auction items, please check out Page 5 for a sneak preview. The Ball begins at 6:30pm. Please be there on time and enjoy this memorable party and celebration of our 13th Anniversary.

Yours in Lions
Anthony

District Governor's Communique

from DG Carol Alderson

Hi everyone,

February already, where does the time go?

This (Racing) night was a great success and provided national PR for Lions. In addition to the information bags that were handed out by Crestwood & Cambridge Park clubs to race goers.

I would like to thank the following clubs who had faith and supported this venture: Balgowlah, Blacktown City, Cambridge Park, Carlingford Dundas, Castle Hill, City of Hurstville, City of Ryde, Crestwood, French's Forest, Hawkesbury Bells Line, Hills Rural, Hornsby, Hurstville St George, Kogarah, Kyle Bay, Maroubra, North Rocks, NSW Parliamentary, Penrith, Pittwater, Richmond, St Ives, St Mary's, Sydney Inc, Sydney Markets, Sydney North West, Sydney Waratah, West Pennant Hills, Yagoona, Lugarno and Bankstown for without your support this night would not have been possible.

Thanks must also go to those who also sponsored a race: SS & PHC, Richmond Club (Diabetes Kids Camp), Burwood (ALDAF) and Arrowfield Stud.

Thank you to all of those who attended and further supported our goal of raising funds for the Cystic Fibrosis Clinic at Westmead Children's Hospital.

The Camel Cup was unfortunately cancelled due to extreme weather conditions on the night.

The other camel riders were to be Paulini (The Young Divas), Frank Coletta (Channel 10), Alex Cullen (Channel 7) and jockey Hugh Bowman. This night has the potential to be one of our Districts major annual events.

On Friday 4th January I visited the Nuclear Reactor at Menai with the 2007 State winners of our Youth of the Year. Menai club hosted these students as the NSW winner, Chelsea Burgess, had been sponsored by them.

The knowledge and professionalism displayed by these students never ceases to amaze me. Please support our new entrants in Youth of the Year by attending the District judging on 29 March at the State Finals on 12 April, details can be found on our website.

On the 15th January it was my pleasure to attend a New Year Charity luncheon

District Governor Carol Alderson

hosted by Sydney Inner West at the Marigold Restaurant. This midday affair was for elderly Asian residents of nursing homes with 300 in attendance.

They were entertained by dancers and singers with some of the guests making their way to the dance floor which they thoroughly enjoyed by the smiles on their faces.

The Chinese God of Good Fortune was also there to wish them all a Happy New Year. The eldest lady there on the day was 108 years old! What a lovely way to give some joy to our elderly community. Well done to Patrick Chok and his club.

Congratulations to our Cabinet Secretary Beryl Payne who was awarded Citi-

zen of the Year. Mayor Bart Bassett of Hawkesbury Council presented her with the award. There were 18 Lions present to see her accept the award which went to a very deserving lady.

Beryl is active not only active in Lions but contributes much support to her local community both through involvement in other organisations and personally. She has been contributing to her local community for most of her life and well deserves this recognition. Look out for Beryl's profile in the Sydney News. Well done Beryl!

Congratulations to Bede Long who was chosen with Russ Connolly (C2) to become our International Extension Consultants for MD201.

Both Bede and Russ will be attending training in San Francisco this month to further develop their skills, motivation techniques and knowledge to assist Lions nationally to grow our membership be able to continue to expand our service to others.

In January our District officially formed our newest club, The Lions Club of Sydney Central. The event was attended by many of the new members and the Zone and Region Chairman from Region 2 and representatives from Sydney Waratah club who are the proud sponsor club.

Congratulations and welcome to our new charter members and Charter President Brenda Chan. Charter night details will be circulated when they are confirmed and it would be great to see as many Lions as possible there to welcome our new club and it's members.

On Australia Day it was my pleasure to attend the Australia Chinese Community Commemoration Service at Darling Harbour. This service was to pay tribute to the deceased and acknowledge the currently serving Australian Chinese service personnel.

The day was attended by Tom Cheong (President Australian Chinese ex- Ser-

District Governor's Communique (continued)

vices National Reunion), Don Rowe (President RSL of Australia), the Honourable Henry Tsang, community groups and representatives from Sydney Chinese, Sydney Pacific, Sydney Inner West, Sydney North West, City of Sydney, Sydney Waratah, Sydney Central and Helen Sham-Ho from NSW Parliamentary.

Our Lions banners were surrounding the speakers and flowers were placed around the monument.

Congratulations also to Cambridge Park Lions who have officially twinned with the Lions Club of Wellawatta West in Sri Lanka. This association was first initiated after the Tsunami and since then they have forwarded money direct to this club to help with schooling and housing needs for the community.

Congratulations N5 District and thanks to Mint Chairman Anthony Cheung. We not only exceeded last year's Lion Mint sales with an overall increase of 35 Cartons for the year, but also reached set target. We sold 4793 cartons in the Multiple District this year which unfortunately is down by 42 Cartons, so we have a number of Districts not even making their last year sales figures. District top sales Banner Patch's will be forwarded to Cabinet Secretary for presentation at District Changeover.

ALPTC (Australian Lions Pin Trading Club) have produced a set of three pins to raise awareness and funds for Campaign Sight First II. The set of 3 pins (red, white & blue) are available from District for \$10.00 for the set. The pins will be delivered to us early this month so to ensure you do not miss out please forward payment to Cab Sec Beryl with your request.

On Thursday 17th I was privileged to attend the Robert Burns night hosted by the City of Ryde. This night is a celebration of the life of Robert Burns (1759-1796) who was a Scottish poet and lyricist who is regarded as a pioneer of the Romantic Movement who

became a cultural icon.

Burns night, effectively a second national day, is celebrated on 25th January with Burns suppers around the world. On this night we were treated to bag pipe music, Scottish dancing and the traditional piping in of the haggis which was served to each guest.

Worldwide Induction Day 19th April 2008. A planning guide for this can be located at www.lionsclubs.org, other programs, membership programs and select Worldwide Induction Day.

If your club will be inducting new members during the month of April, please let me know the number by Friday 22nd February so that we can arrange to receive commemorative certificates for these new members.

A message from NSW Ambulance Service: We all carry our mobile phones with names & numbers stored in its memory but nobody, other than if we were to be involved in an accident or were taken ill, the people attending us would have our mobile phone but wouldn't know who to call.

Yes, there are hundreds of numbers stored but which one is the contact person in case of an emergency? Hence this 'ICE' (In Case of Emergency) Campaign. It is a method of contact during emergency situations. As cell phones are carried by the majority of the population, all you need to do is store the number of a contact person or persons who should be contacted during emergency under the name 'ICE' (In Case Of Emergency).

The idea was thought up by a paramedic who found that when he went to the scenes of accidents, there were always mobile phones with patients, but they didn't know which number to call. He therefore thought that it would be a good idea if there was a nationally recognized name for this purpose.

In an emergency situation, Emergency Service personnel and hospital Staff

would be able to quickly contact the right person by simply dialling the number you have stored as 'ICE'. For more than one contact name simply enter ICE1, ICE2 and ICE3 etc.

I will be visiting Norfolk Island from 3-8 February where it will also be my pleasure to award a 20 year Chevron to Hazel Martin who has been associated with Lions for over 40 years.

I also have requested and received a personal letter from our International President to present to Hazel who will be turning 99 years young in June.

Just another friendly reminder that all dues, both District and International must be paid on time.

We currently have 4 clubs who have been put on suspension by International for nonpayment. If you are one of these clubs and have made payment, thank you, if you have still not made payment, please ask your Secretary and Treasurer to check mail and accounts and contact our Cabinet Treasurer Jean-Claude Legrand urgently to discuss payment options.

Effective July 1, 2007, clubs with past due balances beyond 150 days could cause the club to be placed on automatic suspension and automatic cancellation within 90 days.

Our District Changeover will be held on Friday 18 July at North Ryde RSL. Please make this date clearly in your diary and club calendar and consider making this your "club dinner" for the month of July. Minimum formalities, good food and music to either listen or dance to. Further details will be supplied shortly.

It's Valentines Day on Thursday 14th so don't forget to get that special someone something nice and say "I love you"

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions Clubs in 200 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 80 Clubs with around 1,800 members. Amongst these, there are around 7 Chinese-based Clubs. Sydney Chinese Lions is the first of these Chinese-based Clubs chartered in April 1995.

Over the past thirteen years, under the leadership of President Dr. Anthony Cheung and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the Club has raised and donated over two hundred thousand dollars to a number of charities including St John Ambulance, the Australian Red Cross, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands had reaped the benefits. The Club is also mindful of encouraging young adults to participate in humanitarian services, hence, since 2003, it has been offering its humanitarian scholarships.
