Some twenty Sydney Chinese Lions and family members attended the District N5 Lithgow Convention on 16-18 November 2013. No doubt they provided strong support to the candidacy of our Past President and VDG2 (2012-13) Lion Dr. Anthony Cheung for VDG1 (2013-14) and the candidacy of Lion May Wong for the 3-year Board Directorship of Lions Nurses Scholarship Foundation (2013-16). In addition, Lions Dr Danform Lim and Emily Hung led the bid for our Club to host the 2014 District N5 Convention. I am pleased to report that we have been successful on all these 3 fronts.

In early November, Lion Joanne Sim attended our AGM and November Meeting to canvass support for her candidacy for VDG2 (2013-14). The other candidate, Lion Dennis Halpin, unfortunately, could not appear at the same meeting due to a home accident two days prior. We were delighted

to see Lion Dennis Halpin at the Convention on the road to recovery. Congratulations to Lion Joanne on being elected as Second Vice District Governor (2013-14).

International President Lion Wayne Madden and his good lady Lion Linda flew in from Indiana for the Lithgow Convention. As an Associate Member of Sydney Chinese Lions, we were most delighted to meet up again with IP Lion Wayne and Lion Linda at the Convention. Some other Lions who missed out on the opportunity attended their Farewell Dinner on the following Monday evening.

On Saturday, 24 November, we featured a successful Wealth Management Forum at Club Burwood. This second Wealth Management Forum in 2012 was conducted in Putonghua.

In December, again we will be having our Members Meeting

together with the Christmas Party on Wednesday, 19 December at the Zilver Restaurant. Tickets are still at \$50 per head. The Christmas Party is a fun way to celebrate the festivities with friends and relatives. Come join the fun and bring more friends and relatives to say good-bye to 2012. Do reserve your places with Secretary Lion Janice latest by 1 December 2012.

Finally, the Charity Ball 2013 Organizing Committee still needs lots of prizes for auctions and raffles. It would greatly help if each member could kindly donate a prize for this purpose. Please bring a prize to the December meeting so that it will be duly recorded and acknowledged in the Ball Commemorative Booklet. Otherwise contact President Mei or Lion Bill Wong to make alternative arrangements for collection.

Sydney Chinese Lions and Guests at November Members' Meeting 2012

# Message from International President Madden

Dear Club and District Leaders,

Last month I reminded our leaders, especially our club officers, to get ready for Pit Stop #2 as we move ahead on our journey to create an even stronger association (click here for clubs and here for districts). The teamwork inherent in our pit stops will bring us to greater heights because we all have a special role to play to stay on course together.

Well, how are we doing overall? I am happy to report that our membership has grown by 12,865, and we have a more than 284 net new clubs. That is 25,730 more hands to care for a child, to meet unmet humanitarian needs, to serve our communities -- whatever the world calls on us to do -- as we seek to ever expand "In A World of Service". Unfortunately needs are increasing all around us, and in all the communities we serve. Thankfully the Lions are there and rising to new challenges. I'm so pleased Lions are supporting our Reading Action Program (RAP) this year. In just the first quarter of this year, more than 21,000 literacy related projects have been reported.

I am convinced our world of service knows no limits because I have seen so much passion and compassion from our Lions. No problem is too big to overcome. If there is a need, we just find the best way to address that need. So even as we celebrate the early success of RAP, I'm asking you to focus as well on our next Global Action Campaign - Relieving The Hunger in December and January. Hunger and food insecurity is a problem throughout the world. Lions are already making a positive impact, but we can do more. You are changing lives, and should be proud. I know I am...of you.

Remember, service is one of the criteria for the Club Excellence Award. In 2010-11 we had more than 6,000 club leaders earn this prestigious award, and even more look to qualify. So I believe we are on the right course, and that this is the right map to follow -- the question is, can we qualify more in 2012-13? I know we can because I have seen your "dedication, preparation and teamwork" -- our winning formula -in action, building stronger clubs in the process. Of equal importance is the District Governor Team Excellence Award. This should be a

goal of each and every district governor. I found this to be invaluable to my success when serving as a district governor in my home State of Indiana.

But the road ahead will have its share of pot holes and challenges, like any journey does. I challenged the Lions to be 'agents of change' to make sure our clubs meet the needs of today's member, responding to a continuously evolving world. As our organization continues to evolve, it is important to share our story with new audiences. We did just that last month in Washington DC. Part of the success of our first Lions Day at the White House can be attributed to so many Lions and non-Lions following the event on our social media sites. Eleven Lions were recognized as 'Champions of Change' at this historic event, with thousands following along on Facebook, Twitter, YouTube, the LCI and White House blogs, and live streaming video. I know you all join me in congratulating the 11 Lions recognized at his historic event.

Our world is a world of service. Never doubt for a moment that you are making a significant contribution and improving the quality of life for millions of people. I wish you all the best until next month, and I hope our paths cross before then. But if not, know that I carry you with me in my thoughts during my travels, drawing upon that simple desire to serve, that brought me to Lions 28 years ago. Hopefully I am meeting your expectations. We are building a better today and tomorrow. Keep up the great work, and keep your engines finely tuned as we journey together in service.

Sincerely,

Wayne A. Madden  
International President

# A Message from Chairperson Lions Clubs International Foundation

Dear Lions,

We did it!

It is my great pleasure and privilege to report to you that Lions have successfully met the *Gates Challenge*!

In the past year, all across the globe, Lions came together in support of *One Shot, One Life: The Lions Measles Initiative* by contributing an astounding US\$10 million to help end the death and disease caused by measles. What a spectacular achievement!

As you know, the Bill & Melinda Gates Foundation promised to match every US\$2 raised by Lions with US\$1, if we reached our US\$10 million goal. So, meeting the *Gates Challenge* means that Lions will be able to contribute a total of US\$15 million this year to help protect the world's children from the brain damage, hearing loss, blindness and death caused by measles. Lions' dedication to combating this deadly disease is a clear demonstration of our deep commitment to protecting the health and well-being of our most vulnerable children. We have shown the world that we are not only Knights of the Blind but protectors of children, as well.

Although meeting the *Gates Challenge* was made possible through the efforts of all Lions, members in three countries contributed nearly US\$6 million of the US\$10 million raised and deserve our special thanks. The Lions of Multiple District 300 - Taiwan contributed US\$2.9 million, the Lions of Japan mobilized US\$2 million, and the Lions of Korea provided nearly US\$1 million! I am truly grateful to our fellow Lions in OSEAL for their extraordinary generosity.

Many of you have recently asked me whether or not Lions Clubs International Foundation would continue its efforts to combat measles once our US\$10 million goal had been met. LCIF is currently working with the Gates Foundation to chart our future course and it is my sincere hope that Lions all over the world will continue to build upon this extraordinary achievement.

As Chairperson of our Foundation, and the father of three healthy children, I thank you, from the bottom of my heart, for rolling up your sleeves and getting to work on combating measles. Lions are giving the world's children a very precious gift: the chance to live a healthy life. It is my great hope that the day will soon come when no child's life is cut short by measles. I am so proud to be able to say that when that beautiful day does come, it will have been made possible, in part, through the efforts of Lions.

Sincerely,

# We Serve

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions clubs in 208 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 65 clubs with around 1,650 members. Amongst these, there are around 7 Chinese-based clubs. Sydney Chinese Lions is the first of these Chinese-based clubs chartered in April 1995.

Over the past seventeen years, under the leadership of President Mei Cheng, Past President & 2nd Vice District Governor Dr Anthony Cheung and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the club has donated over \$500,000 to a number of charities including the Royal Flying Doctor Service of Australia, St John (NSW), the Australian Red Cross, Lions Clubs International Foundation, CareFlight, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands have reaped the benefits. The club is also mindful of the well being and good health of our community, hence they have in place their annual health seminars, teal ribbon scholarships and traditional Chinese Medicine Research Scholarships.
