

A Thank You Note from our Humanitarian Scholarship Winner

To All at the Sydney Chinese Lions Club,

I would like to extend my sincere thanks and appreciation for the generous humanitarian scholarship and for your warm and open hospitality to both my father, Peter, and myself. I was overwhelmed to be awarded this money and it has gone straight in my organisation - United Future Foundation. \$2000 is enough to provide the children with vital necessities such as textbooks and stationery, school shoes and uniforms. I would love to keep in touch about our work and progress at UFF and also to hear about the fantastic initiatives

of the Chinese Lions! You are doing amazing fundraising work, especially with the ball! Your generosity of time & resources is evident and you should be very proud of all you have achieved.

Once again, I thank you so much for hosting us to 2 beautiful dinners, for welcoming us openly into your Club & above all for the huge donation you offered to me. It will go far in Uganda!

All my love,

Annabelle Chauncy

A *Thank You* Note from our Humanitarian Scholarship Runner-up

Dear Arthur and Rita,

" I just wanted to express my sincere gratitude for the passion and dedication you have shown towards young volunteers with your Lions Humanitarian Scholarship. I am very honoured to be a recipient this year of the scholarship. "

The work I do overseas and in Sydney would not be possible without the dedication and support of those around me. The scholarship itself makes it so much easier for me to dedicate as much time as possible to the work that I love.

I have included here some photos to complement the stories I have shared with you. They include a photo of the bags developed in partnership with a community in Manila as a livelihood program, a photo of the electric jeepney that I am designing for, a photo of me with some children of the GK Character village in rural Philippines (at the base of a volcano!), and a photo of a recent group that travelled on an education program to the Philippines in 2008. I have also included a photo of one of Manila's notorious slum areas, and the housing built by Gawad Kalinga (One of sthe organisation I work with). I hope that with these photos you can feel your place and contribution to this work!

Kind Regards,

Adam Long

Dear President and Members of the Lions Club of Sydney Chinese Inc,

I wish to thank you for your wonderful support and recognition. The Sydney Chinese Lions Humanitarian Scholarship is a wonderful program that recognises the humanitarian endeavours of young students who have committed to humanitarian assistance.

I, like the other Humanitarian Scholarship finalists, were so very proud to have been selected by the judging committee. The Lion's Club members whom I had the pleasure of meeting were all very warm and made me feel most welcome at your dinners.

Annabelle and Adam are excellent humanitarians and students and I am very humbled to have been associated with them.

The \$1,000 prize that I was awarded last night provides me with not only the capacity to concentrate on my academic pursuits in my endeavour to become an even more effective member of the international humanitarian community, but it also assists me with the ability to respond to any new humanitarian emergency that may arise in the future.

I thank you all once again for the encouragement and recognition that you have so kindly provided.

Sincerely,

Dominic Bowen
