We Serve!

Editorial

What is good governance? This month we celebrated the Diamond Jubilee of the Queen. Her reign reaches the 60th anniversary and is still going strong. In China, the Hu Jin Tao/Wen Jia Bao leadership is due for a review in October. For all Lion Clubs and Districts, June/July is their annual Changeover time.

This year the Lion Clubs International Convention is held in Busan, Korea from 22 to 26 June. The District N5 Changeover is held on 7 July at the Parramatta Leagues Club. The Sydney Chinese Lions Changeover is scheduled for 11 July at Zilver Restaurant. Not all office-bearers of the Club will be changed though, as many are re-elected. Good governance is having right-on-time Changeovers and the luxury of the option of re-appointing the same people.

We wish to thank all the members of the 2011-12 Board for their contribution in help make

the Club to accomplish a fruitful year. At the same time, we wish to congratulate all the members of the 2012-13 Board for their new office. We encourage each and everyone of them to diligently fulfill their elected portfolios as and to enthusiastically participate in the Club's meetings and activities.

With the advent of the new Lions year, a new round of annual membership fee of \$150 per member is now due. Please either send a cheque or deposit the amount directly to the Club's bank account: A/C # 197614021, A/C name: The Lions Club of Sydney Chinese Inc, BSB: 012 071 at your earliest convenience.

Congratulations are in order to Lion Dr. Anthony Cheung, Zone Chairman and Past President of our Club, on his taking up of the elected office of Second Vice District Governor of District N5 from the 1 July 2012. Bravo!

The other Clubs in or out of the District: Sydney Innerwest, Sydney Pacific, Sydney North-west and others will be having their respective Changeovers as well. All these we are obliged to attend and support. Fellow Lions please help to support these functions by signing up to attend some, if not all of them.

The planting project of 500 trees at the Dundundra Falls Reserve was successfully completed. As previously mentioned we have extended the deadline for tree subscriptions to the end of June 2012. Further support from N5 Lions Clubs and individual Lions is more than welcome.

The Teal Ribbon Scholarship 2012 will be presented to the winner(s) at the Sydney Chinese Lions Changeover Dinner. So fellow Lions, don't miss out on the Sydney Chinese Lions Changeover Dinner at Zilver Restaurant on Wednesday, 11 July 2012. RSVP: Lion Bill Wong at wjw2086@gmail.com or mobile 0407 266 896 by 28 June 2012.

Message from International President

Dear Lions,

When I took office at the international convention in Seattle last July I did not think that I could ever be more proud to be a Lion. I was mistaken. Over the past year all that you have accomplished to make our world a better place has inspired me and made me prouder than ever.

I would say that it borders on the miraculous!

I have always believed that Lions can change the world but this year we did so literally. By planting more than 9.7 million trees we have changed the very face of and altered - for the better - the basic processes that sustain and renew all life on Earth.

A single tree can absorb as much as 48 pounds of carbon dioxide each year and produce enough oxygen to support two human beings. At maturity, the trees planted by Lions will be removing more than 20,000 tons of carbon dioxide and adding enough oxygen to the atmosphere to support almost 17 million people!

We have succeeded in keeping more members within our organization and I believe that following the [My Club, My Family](#) guidelines has helped keep more of them engaged and enthusiastic about their service to others. I have met with more than 10,000 club presidents and seen countless clubs working hard for their communities but also having fun, creating friendships and strengthening the bonds among family members.

I think of Lions Clubs International as the world's biggest family and I hope that the spirit of family unity will be a defining trait of our organization for years to come. Please do all you can to make it so.

I began my year as international president by declaring what I believed. I believed in you and I believed that Lions working together with passion, persistence and creativity could achieve what others believed impossible. I leave the presidency feeling confident that "we" believe those things, both as individual Lions and as an organization. The successes of the past 12 months have proved it.

It is because of your hard work, perseverance and innovative thinking that we have made the 'impossible' possible, and I appreciate all of it. Thank you for all you have done and for the gifts you have given to all humanity. Let's keep up the spirit; we still have a few more weeks to work together.

I hope to see as many of you as possible at the [international convention in Busan](#).

Sincerely,

Wing-Kun Tam
International President 2011-2012

Message from the Chairperson of Lions Clubs International Foundation

Dear Lions,

I am amazed and proud of all that Lions Clubs International Foundation has accomplished this past year with your help. The clubs and projects that Judy and I had an opportunity to visit while I was Chairperson showed us just how much our Foundation gives hope and needed services to people around the world.

Through our commitment to help [eliminate measles](#), Lions and LCIF are responding to the challenge set forth by the Bill & Melinda Gates Foundation to raise US\$10 million. By now, you should know the impact a single vaccine can have for a child - it can save the child's life and prevent serious complications that come with measles for just US\$1.

I thank our [generous donors](#) who have contributed to the One Shot, One Life: Lions Measles Initiative. As the year ends, there is still work to be done to meet the Gates Foundation's challenge grant. In the upcoming Lion's year, I urge everyone to make a donation or hold a fundraiser for measles. We can help save 157 million children alongside our partners. What an accomplishment that will be!

Our other programs also have a significant impact around the world. As LCIF's flagship youth program, [Lions Quest](#) not only added new countries this year, teaching even more students positive life skills; it also gained new partnerships, like the United Nations Office on Drugs and Crime, and tested new programs, like Out-of-School Time.

Our [SightFirst](#) program expanded its reach through SightFirst China Action III, now addressing issues like eliminating blinding trachoma and improving low vision services. LCIF also continues important sight saving work with partners like Bausch + Lomb, Johnson & Johnson and the World Health Organization. With these partners, we work to combat childhood blindness.

The Foundation's [disaster relief](#) efforts show that Lions not only respond to immediate emergencies, but are also there as long as it takes to help give disaster victims their lives back: a new nursing school was completed in Haiti two years after an earthquake; a new school was built in Louisiana, USA, seven years after a hurricane; and needed relief continues to be provided in places like Japan one year after an earthquake and tsunami, and in Thailand after severe flooding.

It has been an honor to serve as your Foundation's Chairperson, and as a Lion. I thank you all for your support.

Serving together today for a better tomorrow,

Sid Scruggs III
Chairperson
Lions Club International Foundation

We Serve

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions clubs in 206 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 76 clubs with around 1,750 members. Amongst these, there are around 7 Chinese-based clubs. Sydney Chinese Lions is the first of these Chinese-based clubs chartered in April 1995.

Over the past sixteen years, under the leadership of President Mei Cheng, Past. President Dr Anthony Cheung and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the club has donated over \$500,000 to a number of charities including Lions Clubs International Foundation, the Royal Flying Doctor Service of Australia, St John (NSW), the Australian Red Cross, Care-Flight, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands have reaped the benefits. The club is also mindful of encouraging young adults to participate in humanitarian services, hence, between 2003 and 2011, it has been offering its humanitarian scholarships. In 2009, they set up the Sydney Chinese Lions Teal Ribbon Scholars Scheme to promote and facilitate experience sharing between medical doctors and medical personnel of the People's Republic of China and Australia.
