## Editorial

On 25 August, President Mei Cheng presented a cheque for \$43,000, the donation raised at the Sydney Chinese Lions 2011 Charity Ball, to the Hon Dr Andrew Refshauge, Chairman of CareFlight. Thereafter the 15 Lions and guests attending the presentation were given a guided tour of the CareFlight headquarters in Northmead. There is an article in this month's bulletin reporting on the occasion.

Two days later, the "Sydney Chinese Lions Health Talk 2011" jointly organized this year by Sydney Chinese Lions and Cancare was held at Club Central in Hurstville, NSW. This health forum was very successful. The 500 seating capacity of the lecture theatre at Club Central was packed to standing room. The photographs in an article on this event in the September 2011 Bulletin speak for itself.

Despite the Sydney Chinese Lions were so busy in August, they still managed to hold the very successful first ever Information Night for the new and potential members on the 8<sup>th</sup> of the month. Following this, a second Information Night was held on 1 September and a third is being scheduled for 12 October. For more details please refer to page 9 of our September 2011 bulletin.

As previously reported Past President Lion Dr Anthony Cheung has accepted his candidature for Second Vice District Governor of District 201 N5 for 2012-13. The general election of the District will be held at the District Convention at Norfolk Island from 24 to 27 November 2011. We are calling for Sydney Chinese Lions to the Norfolk Island Conference to support Lion Anthony. Besides, November/December is the favourable season for visiting this beautiful island close to the Australian mainland.

Finally, membership fees for 2011-12 were due on 30 June. We thank all those members who have paid the fess. For those who are yet to pay, we sincerely call upon you to support the club by paying up over the next week or two. Very soon, the Board will have no alternative but to consider dropping those who are not financial from the membership roll.

If you wish to pay your membership fees, the club's preferred payment method is by direct bank transfer: BSB: 012 071 Account Number: 197614021 Account Name: The Lions Club of Sydney Chinese Inc.

# Message from our International President

## The Year of One Million Trees

We are Lions because we are good-hearted and want to do good. We realize that by joining with like-minded people we can accomplish great things. This year I am asking Lions worldwide to join together on a project that can help save our earth, contribute to people's emotional well-being, solidify our clubs and make Lions clubs more attractive to young people and others.

I am asking Lions to plant 1 million trees this year. We want to wrap the earth in a canopy of greenery. From Argentina to Zambia, we want Lions to put on their work gloves, pick up their shovels and beautify their community.

This will be a great public service. Trees are not just pretty; they are vital to the health of our planet. Trees save soil by reducing erosion, provide habitat for wildlife and, most importantly, take in carbon dioxide and breathe out oxygen. Trees improve our air, protect our water and save energy.

Planting trees is a project that will unite club members in a common purpose. We also can invite members of the community to join us in planting trees. This is an ideal way to become more visible in our communities. We will replenish our membership ranks as we replenish the earth.

Planting trees also is a great tool for partnering with other community groups. We will sow the seeds of success for future collaborations.

We want Lions to rally around our tree project. Each month we will report the number of trees planted on the LCI Web site. Lions can get artwork from LCI headquarters to create buttons that say "I planted a tree" or to design signs and certificates. This will be a fun, rewarding project in which Lions can take great pride.

It's also an entirely achievable project. One million trees is less than one tree per Lion. When we accomplish this goal, it will prove once again that when Lions unite we can do good on a grand scale—as we have done with SightFirst and disaster relief. I believe we can do it. It will take courage, commitment and action. It will take all Lions working together. So, Lions, start planning and start planting!

# Message from our LCIF Chairperson

Dear Lion,

This year promises to be one of great success as we build upon our recent achievements. Last year, we witnessed our Lions' generous financial support, especially by giving more than US\$18 million for [Japan disaster relief](#). Overall, donations were up by 46 percent from the previous year!

This next year, your Foundation hopes to continue this generous support for our disaster relief efforts as well as supporting our undesignated fund in order to give hope to even more people worldwide. We will also focus on building our partnerships in new areas of service.

Judy and I are excited to work with all of you this year to further the efforts of our Lions Clubs International Foundation. During the last three years, we have seen first-hand the amazing impact we are having through our Foundation on countless lives worldwide.

Early last year, in Osaka, Japan, I saw how we are providing job training for the blind, and in Nebraska, USA, I witnessed young athletes benefiting from improved sight through our [Opening Eyes](#) partnership with Special Olympics. These are only two examples of the impact our Foundation is making.

You may recall that my theme last year was "Beacon of Hope." I can tell you that it is only through your generous donations that our Foundation is truly a Beacon of Hope, and with President Tam's theme of "I Believe," I do truly believe we can change even more lives this year.

I look forward to providing you with an update on our [disaster relief efforts](#) in my next message. This week Judy and I will be traveling to Joplin, Missouri, USA, to see the needed assistance that is being given there.

Serving together,

Sid L. Scruggs, III  
Chairperson, Lions Clubs International Foundation

# Health Talk 2011

*The Lions Club of Sydney Chinese recently held a full day Public Health Talk on 27 August 2011 at Club Central Hurstville. This year's theme was "Chronic Diseases Management: East meets West". The focus was on chronic diseases and cancer management. On this occasion, CanCare was invited to co-organize the event.*

The event attracted more than 500 participants from the general public. The Talk also served as a good platform for Western and Chinese Medicine professionals to exchange ideas. The Supervisory Committee comprised Lion Dr Danforn Lim JP as Chairman, Club President Lion Mei Cheng JP, Zone 4 Chairman Lion Dr Anthony Cheung JP, Lion Emily Hung, Lion Dr Janet Hung JP, and Lion Wendy Lin as members. The Organizing Committee comprised Lion Danforn and Lion Emily from Syd-

ney Chinese Lions as well as Mr Jackie Chan, Ms Lauvena Wong, Ms Judy Ho and Mr Anthony Chin from CanCare.

Similar to last year, this year's function was supported by three major Australian professional medical organizations (both Western and Chinese medicines) including The Australian Chinese Medical Association (Western Medicine), The Australian Traditional

Chinese Medicine Association (Chinese Medicine), and The Chinese Medicine and Acupuncture Society of Australia (Chinese Medicine).

The function is further supported by CanRevive, Sydney Chinese Alliance Church, First Light Care, NSW Cancer Council, the Australian Nursing Home Foundation and Carbonelle (Medical EMR and IT supplies).

The Shen Neng Group & Herb Care Pty Ltd was the Exclusive Sponsor of the event.

The day's proceedings started with the Official Opening Ceremony at 10am. The talks and presentations went on until 5pm with an hour's lunch in between. Altogether there were ten Cantonese presenters. They were Ms Rose Shuer Chen, Dr Amelia Siu, Mr Carl Ku, Mr Jackie Chan, Ms Ruby Chan, Dr Danform

Lim, Ms Angel Chan, Dr Henry Luo, Dr Fred Leung and Mr Noris Ma.

The organizers were deeply moved by the huge turnout of the attendees and their very positive feedback. They are seriously thinking about continuing to provide

this very meaningful service every year. At this stage, they are already exploring possibilities of holding a 2-day back to back talks next year for the 2 major dialect groups of the Australian Chinese community, with Cantonese presentations featured on one day and

## Donating \$43,000 to CareFlight

On 25 August 2011, at a Cheque Presentation Ceremony held at CareFlight's Northmead headquarters, Sydney Chinese Lions handed over a cheque for the sum of \$43,000 to representatives of CareFlight. The Hon Dr Andrew Refshauge, CareFlight's Chairman of the Board of Directors and Mr Derek Colenbrander, CEO were there to receive the cheque from President Mei Cheng and Past President Dr Anthony Cheung of the club. The other CareFlight representative present was John Ebbott, Community Engagement Coordinator who acted as Masters of Ceremonies. John is also a member of Crestwood Lions.

Some 15 members of Sydney Chinese Lions and their long time sponsors and supporters attended the ceremony. They received a warm welcome. After the ceremony, the guests were given a tour of CareFlight's major facilities, including their life saving helicopter, training simulator and training centre.

The guests also learned that their donation has been earmarked for refurbishing and up-

grading CareFlight's Training Centre. Sydney Chinese Lions look forward to seeing a Lion's plaque being installed at the Training Centre when completed.

To date, as recognition of Sydney Chinese Lions' donations over the past years to various charities, there are Lions' plaques on an ambulance and at the Emergency Call Centre of St John. There is also a Lion's plaque on the medical cabinet on board an aircraft of the Royal Flying Doctors.

The \$43,000 donation on this occasion comprises the major portion of net proceeds of the Sydney Chinese Lions Charity Ball 2011

held earlier this year. The donated fund is intended to assist CareFlight in their emergency life saving operations, and in this case, for the refurbishment and upgrading of their Training Centre. The Charity Ball was the signature event of the Sydney Chinese Lions in celebration of their 16th Anniversary. It was held on 19 March 2011 at the Parkside Ballroom, Sydney Convention and Exhibition Centre, Darling Harbour. The function had all the hallmarks of a high profile charity event including entertainment, dancing and auctioning many major prizes. It was attended by over 450 guests. The Guest of Honor was Air Marshal John Harvey, AM, representing the Chief of Air Force. The Master of Ceremonies was Zone Chairman Lion Dr Anthony Cheung.

This was the first time that

Sydney Chinese Lions made a donation to CareFlight. In 2008, the club had made a donation of \$57,000 to the Royal Flying Doctors, a similar organisation which provides emergency life saving service. The club has been successful in securing support from organisations/individuals for Charity Ball 2011: Major Sponsors included Shum's Watches and Jewellery and Honey World Travel; Sponsors included the Zilver Group, Porsche Centre Sydney South, Liteco Construction, Lions Rita & Arthur Kwan, Linneys, Heng Fai Trading Company P/L, Hornsby Mazda and Northside Star (Mercedes-Benz), Central Equi-

# Message from Charity Ball 2012 Chairperson

My Fellow Sydney Chinese Lions Members

As you may be aware, our club's Charity Ball 2012 is scheduled for Saturday, 24 March 2012. Similar to the past seven years, the Ball will be held at the Parkside Ballroom of the Sydney Convention and Exhibition Centre, Darling Harbour, arguably the best venue in Sydney to hold a ball.

This time round, instead of picking a local charity as Major Beneficiary, the Board has resolved to support the Lions Club International Foundation (LCIF), our own Lions' foundation which provides emergency relief and humanitarian service worldwide.

Key LCIF personnel will be attending the Ball to support. They are led by LCIF Chairperson Lion Sid L Scruggs III and wife Lion Judy Scruggs. Representing Multiple District 201 will be LCIF Multiple District 201 Coordinator PDG Nigel Jeny and wife Lion Genevieve Jeny. We certainly look forward to welcoming them to our midst next March.

At present, preparations for the Ball is proceeding in earnest. The Ball Steering Committee has met a few times and the Sponsorship Packages have now been finalised. These packages will be published shortly. The Australian International Conservatorium of Music has responded to our invitation and signalled their interest in providing entertainment at the function. A few more meetings down the track are required to finalise this. Further, a number of long time Sponsors have been approached and their consent to continue with their sponsorships have been sought.

Currently, one of our major tasks is to assemble prizes for the silent auction and raffles. In this regard, we are seeking the support of all members. We sincerely hope that each member could bring in a prize valued at \$50 minimum for the raffles and/or a prize valued at \$300 minimum for the silent auction. It would help if you could bring in the prizes between now and our club's Christmas Party on 14 December. Like previous years, all of the prize contributions will be duly acknowledged in the Ball Booklet.

No matter how big or small our contributions are, they are invaluable. Do remember, these contributions are like droplets of water, together they form a mighty ocean of service and will help make Charity Ball 2012 another success for our club.

Warm regards

Anthony Cheung

Following the very successful first ever Sydney Chinese Lions Information Night on 8 August, a second one was held on 1 September at Zilver Restaurant.

There were 2 purposes of the meeting. First, it was to raise awareness of Lions and Sydney Chinese Lions. Second, it was to recruit more quality members. Again, 12 club members were invited. They were requested to bring a guest or two to the meeting.

21 members and guests attended the meeting. President Mei gave a brief welcome speech while Zone Chairman Anthony and Lion Danforn introduced Lions and Sydney Chinese Lions to the guests.

Similar to the previous Information Night, after a somewhat tentative start, the meeting soon got on to a cosy and friendly atmosphere. Jokes and laughter blended with exchange of Lions information was common place.

Towards the end of the evening, 3 completed membership application forms were collected while a further 5 are in the pipeline.

Following the success of the August and September Information meetings, a third one is being planned. It will be held on Wednesday, 12 October at Zilver. A fresh batch of 12 members will be invited.

### Lion Anthony Cheung Ph.D.

Anthony was born in Hong Kong. He migrated and settled in Sydney in 1988.

Anthony went to school in Hong Kong and then onto university where he earned his Master of Education and Master of Arts degrees prior to his Ph.D. in Applied Linguistics from Nottingham University. He was elected a Fellow of the Institute of Linguists, UK in 1988.

Anthony has been a language educator for a good part of his career. He has over 35 years' experience in the design, management & implementation of English language programs at the secondary and tertiary levels. Between 1990 and 2007, he worked as a Coordinator at the Institute of Languages, University of NSW. He was appointed Acting Head of different Departments on many occasions.

Anthony has accumulated a respectable list of published conference papers and is the author of books entitled *Writing Business Reports* and *Writing Business Letters* which are published in Australia & China. He has taken part in consultancy work across a range of businesses.

One of his latest achievements is successfully brokering a Friendship Cities alliance between Hornsby Shire and the City of Xian, China.

Anthony met his wife, Emma, in Hong Kong in 1980. Emma was then a high school English and History teacher. They were married in 1981 and moved to Sydney in 1988. They have a daughter, Janice, a practising optometrist, who is also a Lion currently serving as Secretary at Sydney Chinese.

Anthony enjoys singing. Being a church choir member at 16 and a high school choir conductor at 21 contribute much to his current profile.

Our monthly bulletins have repeatedly won District awards, including the prestigious Ted Tricker Memorial Bulletin Award. In the 2009-10 Lions Year, our bulletin and website both won an Honorable Mention (Runner-up) at the LCI International Contest whilst Lion Anthony was Chief Editor.

Lion Anthony is well known in many parts of our District from his frequent presence at District functions. If elected, we believe Lion Anthony will make a great leader of our District based on his track record. We encourage the Lions of 201N5 to elect Lion Anthony as
