MONTHLY BULLETIN

28 July 2012

Volume VIII, Issue VII

Editorial

For the Chinese, 2012 is the year of the Dragon. Of the twelve Chinese zodiac creatures, only the Dragon can bring upon changes. The Dragon, however, does not change into other animals. It effects changes to its environment. It brings and dispatches the wind and clouds; and rain and thunder. The changes it brings can be quick and sudden.

The year of the Dragon is therefore a year of environmental changes and I don't mean global warming. Sixty years ago, in another year of the Dragon, Elizabeth Windsor became Queen as her father had no male heir. This year of the Dragon, Britain has announced a change of her laws that even if the first born of Kate Middleton shall be female, this heir will be first in line in the succession of throne.

The word Changeover suggests total systematic changes. For Lion Clubs, changeovers are more systematic than total. Systematic, in the sense that in many cases the former 1st Vice District Governor becomes the District Governor and so on. Not at all total, in the sense that many office-bearers are re-elected to the same positions so long as the by-laws allow.

All the re-elections comply with the by-laws as there is no mandatory maximum to the number of terms in many cases. The re-elections are therefore legal and democratic.

To change or not to change? Alternatively, what to change and what to keep is the question. The answer is simple. We

keep what we are comfortable with and change what need to be changed. With due nomination procedures those who seek re-elections and are not objected to by the other Lions get re-elected. The theme of PDG John Harrison --- "Be the change you want to see" carries more or less the same implications. In other words, we change what we want to change and what we need to change.

This year, the major changes in Sydney Chinese Lions are the incorporation of a Membership Chairperson and two Membership Directors. It is crystal clear that "to enthuse existing members, recruit new members" is one of the major directions of Sydney Chinese Lions. Sydney The Club's ambition to grow its member's roll from the current 130 plus to 200 is well set. For a Service Organization whose motto is "We Serve", its achievements and success clearly depend on the number and calibre of its members and their efforts. Of course, we should not forget the importance of direction setting by its leaders and their leadership in following them through.

If this sounds inward looking we observe that Past President Lion Dr Anthony Cheung has now been elected as the 2nd Vice District Governor of Lions District 201 N5. He was inducted at the District Changeover last weekend. Sydney Chinese Lions President Mei Cheng has pledged hers and the full support of her Club for the activities of N5. For instance, the 500 Trees Planting Project had accounted for half of the tar-

get of 1,000 pledged by IPDG Stephen Coleman for the District. In the coming years, President Mei's pledge of support for the District will manifest into further "reaching out" to support other Lion Clubs and projects in the District.

I am fully convinced that the changes the year of the Dragon brings to the Sydney Chinese Lions are all for the better.

Wayne Madden

International President 2012-13

Dear Lion Mei,

I am happy to welcome you to your year as a Lion leader and am proud to stand beside you In a World of Service. It will be an exciting year in which we honor our Lions heritage and take on new challenges. We will strive for excellence in our traditional missions of service. I will also be asking you to do some things that Lions have never done before and call on all Lions to be agents of change. Our clubs and our association must evolve to meet the changing needs of our communities and the world.

As an educator, I am especially excited to introduce the Reading Action Program (RAP). Education - especially the ability to read and write - empowers individuals and communities to shape their own futures. Yet nearly a quarter of the world's population cannot read this sentence. We Lions can multiply our impact by encouraging literacy and providing the means for people - especially young children - to learn to read. There are many ways to get involved in RAP and I ask you to make it a priority throughout the year.

Growing up in Indiana, the Midwest region of the United States, I have been interested in the worldwide Indianapolis 500 auto race. I am impressed by the dedication, preparation and teamwork of the racing teams. I think of our club and district teams in the same regard. To run a race you must have a road map or a plan. I ask that each club use the Club Excellence Award and district to use the District Governor Team Excellence Award to achieve success. As with pit stops in racing I will also ask your club and district to pause briefly four times this year for intensive self-evaluation. I strongly believe that the step-by-step approach of these "pit-stops" will foster the excellence we seek to better serve the world.

Thank you in advance for all you will do and I hope that you look forward to the next 12 months with as much enthusiasm as I.

Sincerely,

Wayne A. Madden

Global Service Action Campaign

Since their inception in 2010, the [Global Service Action Campaigns](#) have touched the lives of more than 36 million people. Keep this positive momentum moving by preparing your clubs and districts for the [Engaging Our Youth](#) campaign in August. You can:

- Implement a reading program at a school or library
- Organize a job fair for young people
- Hold a seminar on social media safety

Be sure to document your projects on the [Lions Services Activity Report](#) for a chance to be among 10 projects featured weekly in the [World of Service Weekly Project Spotlight](#).

Reading Action Program

One of my first official acts was to sign [an agreement to collaborate](#) with the U.S. Agency for International Development to improve early childhood reading in developing nations. This agreement brings Lions Clubs International into alliance with the [All Children Reading](#) initiative established by USAID, the Australian Agency for International Development, World Vision and others to improve the reading skills of 100 million children by 2015. The agreement, signed at the international convention in Busan, the Republic of Korea, ensures that LCI's [Reading Action Program](#) and All Children Reading will collaborate effectively in targeted countries.

Club Officers

Pit Stop One

This year's four recommended Pit Stops provide a practical, step-by-step process for ensuring that your club is as strong and effective as it can possibly be. The first Pit Stop, focusing on setting goals and making plans, receiving feedback from members, improving communication with members and the community, and inviting new members to join, is also the best first step your club can take in the pursuit of the [Club Excellence Award](#). See the full checklist of activities that should be completed by the end of September at [Club Pit Stop Checklist](#).

District Teams

Pit Stop One

Striving for the [Club Excellence Award](#) and the [District Governor Team Excellence Award](#) are effective ways to ensure that both district operations and the clubs under your leadership are as strong and effective as they can be. This year's four recommended Pit Stops provide a practical, step-by-step process that will help drive your district toward excellence. Pit Stop One, which should be completed by the end of September, focuses on encouraging clubs to participate in worldwide service initiatives, helping clubs that need support and setting goals for the district governor team. See the full checklist of activities at [District Pit Stop Checklist](#).

Fast Start Awards

The best way to ensure a strong finish is with a fast start! The 2012-2013 World of Service Fast Start Awards will recognize district governors who achieve strong membership results in the first four months of their terms. District governors who charter two new clubs or achieve a positive net growth in membership will be recognized at the Cruising Speed Level. District governors who charter five new clubs AND achieve positive net growth will be recognized at the Passing Speed Level.

A Message from Chairperson Lions Clubs International Foundation

Dear Lion Mei,

I am so excited to now address you as the Chairperson of our Foundation. I know what great things this Foundation has done in the past and what it can do in the future through the support of Lions. And, because of this, I believe in our Foundation.

This year, I am looking forward to all the important projects we will complete and all the people we will help through our Foundation. After all, we have already saved the sight of 30 million people through [SightFirst](#), positively impacted 12 million young people through [Lions Quest](#), given over US\$88 million for [disaster relief](#) since the Foundation began and met countless [humanitarian needs](#) through partnerships and projects.

Lions are leaders in service. Let this new Lions year be an opportunity to set new goals for your club and for your district. One program that I encourage you to support is the [One Shot, One Life: Lions Measles Initiative](#). Together, we can make the lives of millions of children worldwide better through needed measles vaccinations. I believe in the power of Lions and our Foundation to help eliminate measles.

I am not the only one who believes this. [Dr. Margaret Chan](#), Director-General of the World Health Organization, spoke at our International Convention in Busan, Korea. She spoke of how measles is a leading cause of childhood blindness in the developing world and can be prevented through an inexpensive vaccine. She also spoke of the respect Lions have earned through service, and our power to make a difference by supporting measles vaccinations.

We are halfway to our goal of raising US\$10 million dollars, but still must meet the challenge grant from the Gates Foundation. Thank you to those who have donated. Now, I encourage all Lions to help reach that goal and immunize 157 million children this year alongside our partners. You can [make a donation online](#). Just US\$1 can make a difference in the life of a child.

Message from District Governor Greg Dunn

G'day G'day. Probably the two most used words throughout the entire Busan Convention. The words were a puzzle to some nations at first but towards the end it was pretty common lingo.

First, I would like to congratulate Immediate Past District Governor Steve and his Cabinet on their efforts over the last year. I am already realising how unrelenting and time consuming the work of a District Governor can be. It fills my days and I am semi retired; I also have the assistance of a wife. How much greater therefore was Steve's task, without such assistance and working full time. I truly do not know how he coped. And Steve not only fulfilled the organizational side of District Governor, but also became known for making himself available to assist at club projects near and far. If a club needed an extra hand on the BBQ - Steve was there; if equipment needed transporting - Steve was there with the truck; if someone needed encouragement or a listening ear - Steve was there. Well done Steve, I'm pleased to say, my friend, and a friend to all in the district.

District Governor
Lion Greg Dunn

A special thanks to all of those who have wished me well for the coming year. Judith and I are looking forward to meeting as many of you as possible in our Club visits. I'm not sure how many Clubs she will be accompanying me as she also has a business to run but I'm sure most of you will get to meet her.

Well, travelling was great but it's also great to be back. We had six full days in Beijing before the convention. Our thanks go to Wendy Lin of Sydney Chinese Lions who did an excellent job of arranging accommodation and a tour guide for us. 3 District Governors Elect plus wives, add one Cabinet Secretary (Jennifer) and a female friend of the DGE from the Gold Coast, bonded together in true Lions fashion and had a wonderful exciting time. One thing that fascinates me though is why would a person risk life and limb trying to cross any road in Beijing. We absolutely loved Beijing from the Temples to the Forbidden City to the Great Wall (which I climbed beyond the first tower) and to all of the little back street markets where some of the produce left a little to be desired, but we found the people really warm, friendly and caring.

On to Korea; Busan is a beautiful modern city, not that I managed to see much of it as I was heavily involved with training prior to, and then in attendance during the Convention. We were expected to be in full uniform by 7.30am each day but we did enjoy our 6:00pm drinks and nibbles. The Convention started with the Parade of Nations and the Aussie's received a wonderful reception from the bystanders, especially the children receiving the clip-on Koalas. President Tam was his usual lovable self and delighted to announce that his 1 million tree initiative resulted in over 13 million trees being planted, "WOW". The entertainment during the Convention was absolutely spectacular. Incoming President Wayne Madden and his wife Linda hail from Auburn, Indiana, USA and Wayne's passion is the Indianapolis 500. He managed to get us fully revved up for a great year with his theme of "A World of Service". He also has another passion and that is literacy. One in four people throughout the

Message from DG Greg Dunn (contd)

world cannot read or write. Literacy is defined as being able to sign one's own name and read at the level of a 10 year old. President Wayne wants to provide resources to improve world literacy. Consider our global projects; "Sight First 2" together with the Measles Immunization Campaign which Lions are conducting in conjunction with The Bill Gates Foundation called "One Shot, One Life". Then include LCIF's response to the recent devastation throughout the Globe, and now add the "Literacy Project". Lions really do provide "A World of Service".

My theme for the year is "Reach Out". This has many meanings. I would like Clubs and Members to interact. On one side, we need to reach out to help one another; with ideas; with suggestions; with projects; with membership, and let's not forget fellowship and fun. On the other side we need not to be too proud to reach out and ask for assistance with membership, ideas and suggestions. We need to work as a team. The District has resources but we have to re-awaken and stimulate these resources into action. We have a good District but we need to become a GREAT DISTRICT TEAM. I know we can do it. But the question is as Past President Tam often asked: - "Do you believe we can"? Because I do!!

A Memo from Cabinet Secretary Jennifer

雪梨華人獅子會

2012年度換屆晚宴隨感

2012年7月11日周三晚，雪梨華人獅子會在同樂軒舉辦了2012年度換屆晚宴。自從加入獅子會以來，我也陸續參加了很多活動。而每一次活動，我感受最多的，都是我們雪梨華人獅子會的正面能量。

不同的人會給別人帶來不同的感受。陰郁消沉的人散發出的往往是負面的能量，跟這樣的人在一起，即使不是直接交流，旁人也會感受到那種消極的氣氛，連心情也染上陰雨天房間的潮濕。與此相反，積極快樂的人會傳播正面的能量。這並非與人的性格完全相關，而在乎人的精神狀態。開朗陽光性格會讓周圍的人感受到愉悅歡快，而沉穩內向的性格也會讓人如沐春風。只因和這樣的人在一起，你會感受到樂觀向上的情緒。情緒會傳播。這也是為什麼，快樂的人在一起，會更加快樂，而不快樂的人在一起，會越來越不快樂。

我對雪梨華人獅子會的最大觀感，就是這是一群散發正面能量的人，在一起快樂地傳播這種正面能量。

我理解的正面能量第一為歡樂。正如這一次的換屆晚宴，雖然有著正式的議題，依然不乏輕鬆愉悅。本次換屆晚宴貴賓雲集之外，更多的是會員們偕同家人好友一起的聚會。正式程序既有嚴肅的換屆理事宣誓儀式，又有歡樂的月度生日會員慶祝；既有 Teal Ribbon 藍絲帶學者計劃頒獎環節，又有上年度獅子會成員貢獻表彰儀式。整場晚宴賓客皆

歡，其樂融融。

其二為凝聚。作為一個以服務社區為宗旨的社團，雪梨華人獅子會出資出力為公眾福利做出了重大貢獻，彰顯了華人社團的凝聚力。如果說每一個人都是一盞燈，可以說雪梨華人獅子會把光明集中起來，來照亮更多的人。很高興看到換屆晚宴上又有新會員加入，這充分體現了雪梨華人獅子會的號召力。大家紛紛上台與新會員握手，歡迎新會員。這一幕讓我聯想到我入會之後，各位前輩們對我熱情友好的歡迎和幫助。

第三為奉獻。除了獅子會本身服務社區之目的外，我們也可以看到，所有獅子會的活動都是由獅子會會員義務組織並參加的。包括本場晚宴在內。調度有方、井然有序、氣氛融洽，這都离不开幕後工作人員的辛勞。他們奉獻了大量的個人時間和精力來籌劃、組織和安排。在此，向本場晚宴以黃雄輝獅兄 (Lion Bill Wong) 領導的組委會表示感謝。謝謝你們為大家帶來這樣一場精彩並成功的晚宴。

和這樣一群快樂團結而又樂於奉獻的人在一起，怎能不被這些正面能量所感染呢？我想，這也是雪梨華人獅子會大家庭愈來愈壯大，愈來愈成功的重要原因之一。

President Mei and Award Recipients at Sydney Chinese Lions Changeover 2012

The Lions Club of Sydney Chinese Inc.

We Serve

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions clubs in 207 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 71 clubs with around 1,650 members. Amongst these, there are around 7 Chinese-based clubs. Sydney Chinese Lions is the first of these Chinese-based clubs chartered in April 1995.

Over the past seventeen years, under the leadership of President Mei Cheng, Past President & 2nd Vice District Governor Dr Anthony Cheung and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the club has donated over \$500,000 to a number of charities including the Royal Flying Doctor Service of Australia, St John (NSW), the Australian Red Cross, Lions Clubs International Foundation, CareFlight, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands have reaped the benefits. The club is also mindful of the well being and good health of our community, hence they have in place their annual health seminars, teal ribbon scholarships and traditional Chinese Medicine Research Scholarships.
