A Message from International President

Lion Barry J Palmer AM

I wanted to share my June message to club leaders with you...

Please work with your local clubs to help them avoid losing members in June. It's imperative that we keep the momentum we have achieved this year.

I want to thank each of you for making my year as international president such a success. It was a year of achievements, and your contributions as a Lion and a leader helped take our clubs to new levels of success. Thank you for the opportunity to serve as your international president!

Lion Barry J. Palmer
Your International President

Dear Lion Leader,

A year ago, I was a new international president sharing my dreams with Lions around the world. Now, it's my turn to offer my gratitude to each of you for making those dreams come true. It's been an incredible year thanks to you.

Throughout the year, Lions did a fantastic job of inviting new members into our clubs. We reached out to family and friends during Family and Friends Month. We put an emphasis on inviting men and women, and we're stronger for it. We used tools like social media to connect with new members and promote our clubs.

As we near the end of the Lion year, it is so important to keep our new members serving into the next year. Keep the momentum going and finish the year strong!

Day in and day out, Lions perform countless acts of service that strengthen their communities and touch the lives of millions. It has been an honor to lead hard-working, dedicated men and women like you, who bring help and hope to those who need us most. Thank you for the opportunity to serve as your 2013-14 international president.

***Sydney Chinese Lions are privileged and honoured to have inducted
Lion Barry J Palmer AM as Associate Member on 5 August 2009***

We Serve

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions clubs in 208 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 70 clubs with around 1,650 members. Amongst these, there are around 7 Chinese-based clubs. Sydney Chinese Lions is the first of these Chinese-based clubs chartered in April 1995.

Over the past eighteen years, under the leadership of President Jason Zhang, Past President & District Governor Elect Dr Anthony Cheung, Past President Mei Cheng and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the club has donated over \$550,000 to a number of charities including the Royal Flying Doctor Service of Australia, St John (NSW), the Australian Red Cross, Lions Clubs International Foundation, CareFlight, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands have reaped the benefits. The club is also mindful of the well being and good health of the community, hence they have in place their annual health seminars, teal ribbon scholarships and traditional Chinese Medicine Research Scholarships.
